All proceeds benefit the Norse Athletic Association.

NORSE ATHLETIC ASSOCIATION

The Norse Athletic Association was formed in 2007 to support and enhance the student-athlete experience.

In 2008–09, funds raised through the Norse Athletic Association enabled the athletic department to enhance athletic venue signage and improve athletic facilities. The funds further helped teams offset the cost of equipment and supplies, providing student-athletes with better practice and competition resources.

In addition, NAA funds were used to supplement travel budgets, enabling our teams to make spring trips, compete at more distant locations, and travel in buses more often.

The Luther College Athletic Department is very appreciative of the support provided by NAA members.

For questions or more information, please contact:
